

Individuality is discovering who you're meant to be so you can make a difference.

DAY 1

Read Psalm 139:14

This month is all about individuality which is discovering who you're meant to be so you can make a difference! There are so many unique things about you and part of growing up is discovering what those things are. But while you're learning about you, here's something huge you need to understand. God knit together each part of you exactly the way He wanted you to be. You are wonderfully made. There is no one else in all of creation, past, present or future, exactly like you.

Mirror Reminder

1. When you look in the mirror, what's the first thing you notice?
2. Find a dry erase or regular marker and write "Made in God's Image" on the mirror.
3. Every time you brush your teeth, fix your hair, or wash your hands, stop and thank God for the totally uniquely awesome way He's made you!

DAY 2

Read Luke 12:7

Who knows more about you, you or God?

Do you know how many hairs are on your head? Grab a chunk of hair and start counting. Sorry, short haired readers, this might be a lot more difficult for you.

Could you do it? While counting some of the hairs on your head is possible, counting every single one is most definitely not.

What's impossible for you is possible for God. God knew how many hairs were on your head when you started counting and He knows how many fell out as you tried to complete this crazy task.

God knows you. He loves you. He made you in His image. That means that out of all the beautiful, exotic, crazy cool, and amazing things God made, you are most like Him. You are a one of kind, uniquely created, valuable gift from God to the world.

DAY 3

Read Genesis 1:27

God created people in His own image.

That means that you were made by God to reflect or show His goodness to others. Seems a little crazy, right? Think about all the wonderful things you know about God. He is loving, kind, faithful, true, trustworthy, righteous, strong, and good. You were made to reflect those same qualities with the people around you. God chooses to use people, made in His image, to share His love with others.

The next time you're together with your family, read this verse aloud. Then discuss the following questions:

- ➔ What is an image?
- ➔ Why do you think God made us in His own image? How does this make us different from animals, or plants or other parts of creation?
- ➔ How are we – people that God made – image bearers of God to the world around us?

DAY 4

Read Psalm 139:16

Have you ever broken a bone and had an x-ray that allowed you to see the break inside your arm or leg? Pretty cool, right?

Guess what? God doesn't need an x-ray machine. He's the one who formed you in the first place. And while you were still growing, even before you made your entrance into the world, God knew you. He already had a plan for you. God lovingly made you in His image so that you can share His love with everyone.

Ask your Mom or Dad to show you some of your baby pictures. As you look back at all that cuteness, stop and thank God for the awesome way He made you! Ask Him to help you trust Him each day, knowing that the way He made you is wonderful!

You were made in
God's image.
