What You Need

Index cards or strips of paper, and something to write with

What You Do

Write the following words on index cards or strips of paper: Organized, musical, athletic, a nurse, kind, a chef, an animal lover, a nature lover, a teacher, a builder, an actor, a good listener, [your child's name]

Mix up the cards and tell your child that it's time to play a game. Say, "I'll give you a situation that needs a helper. You get to choose the best helper for each situation from this stack of cards. Most have more than one answer! You can choose as many cards as you want. Ready?"

- The jump ropes used for gym class are all tangled. Who can help? Someone who is...
- It's time for the Christmas play. The director needs help with creating the set and the costumes. Who can help? Someone who is...
- A kid on the soccer team struggles with getting the ball to where it's supposed to go. Who can help? Someone who is...
- The animal shelter needs someone to walk the dogs. Who can help? Someone who is...
- There's a bake sale to raise money for the youth group's mission trip. Who can help? Someone who is...
- Two friends are having an argument. Who can help them make peace? Someone who is...
- Somebody on the playground fell, and they seem hurt. Who can help? Someone who is...

Feel free to add in scenarios of your own. Think through things that you need help with around the house, and ask who could help in those situations.

Talk about the Bible Story

What does the word "purpose" mean? (*Something you're meant for.*) What do you think was one of Esther's purposes in life? (*To save the Jewish people.*) What skills or talents did Esther use to fulfill her purpose? (*She was brave, she was patient, she spoke well.*)

In our activity today, we talked about the qualities that make people helpful. What is one quality or skill God gave you that makes you helpful?

Did you know that when you help someone, or show someone kindness, you are fulfilling part of God's purpose for your life? God created you to do big, incredible, awesome things. Just like Esther, God created you for a purpose.

Prayer

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

Creator God,
You are amazing!
You made us in your image and you created us for a purpose. Thank you for the many gifts and talents you have given each of us. Help us see opportunities to use what you have given us to help and serve others. We pray these things in Jesus' name. Amen.

Invention Inspiration

What You Need

Index cards or strips of paper, and
something to write with

What You Do

Write the following words on index
cards or strips of paper:

- Bat, radar, armadillo,
army tank, chameleon,
camouflage, fish, electricity,
flying squirrel, parachute,
squid, jet propulsion,
hummingbird, helicopter,
scorpion, needle, snake,
anesthetic, snail, suction
cups, caribou, snowshoes

Separate the cards into two piles:
animals and inventions. Mix each
pile individually and spread them
out into two columns.

Tell your child that it's time to play a
game. Say, "We have animals in one
column. In the other column, we
have inventions inspired by those
animals. Let's try to match the in-
vention to its animal inspiration."

Answers:

Bat (radar), armadillo (army tank), chameleon
(camouflage), fish (electricity), flying squirrel
(parachute), squid (jet propulsion), humming-
bird (helicopter), scorpion (needle), snake
(anesthetic), snail (suction cups), caribou
(snowshoes)

In our activity today, we talked about inventions. We know
that inventions were made with a purpose. If YOU are
God's invention, what are some of YOUR purposes? (*To
help others, love others, love God, serve God, tell others
about God, etc.*)

Did you know that when you help someone, show some-
one kindness, or forgive someone, you are fulfilling part
of God's purpose for your life? You are! God created you
to do big, incredible, awesome things. Just like Esther,
God created you for a purpose.
