

MISSION POSSIBLE

Your mission, should you choose to accept . . .

Make a connection with an older member of the Foothills congregation and brighten their day!

- 1) This can be a one-time activity or something you choose to do every couple of weeks. Our Foothills folks who are in their nineties do not use email, so when they get a letter in the mail, it's a big deal!
- 2) Contact Beth Ott and let her know that you'd like to be a buddy! She will help match you with a Foothills member and give you their contact information. She'll talk to you about ways to connect with your buddy on a short-term or long-term basis.
- 3) Draw a picture, take a photo of yourself, or make a handmade card and send it! Your buddy will appreciate hearing from his/her Foothills family and from you!
