### *October's "life app" is INDIVIDUALITY: Discovering who you're meant to be so you can make a difference*

God is one of a kind, with no beginning and no end. Everything God has created is unique and one of a kind, including people created in God's image. Every person is an original reflection of God in how they love, care for others, imagine, create, and solve problems. To see how we can do this well, we should look to Jesus. Jesus showed us what it means to be created in God's image in the way He loved all people and helped people feel like they had value—no matter who they were or what they had done. We can reflect this as we discover who we're meant to be and live out the individuality God gave us.

~~~~~

Our focus this week is: You were made in God's image. In Genesis 1:26-28, we read that when God created people, God did something special. He created us in His image. This doesn't mean that we physically look like God. Instead, we demonstrate what God is like in the way we create and imagine, show love and kindness, seek justice, and offer mercy. We get to fill the earth with God's goodness, each in our own individual way. We hope to help kids understand that being made in the image of God means we can love, show kindness, be creative, solve problems, and care for others—all because we reflect and respond to God's character. Kids will get to explore how they can reflect God's image to the people in their world.

Tuesday:

On Sunday at KidsConnect, we learned that we are made in God's image. [Here's the link to the video.](#) Watch the video and ask "How would you describe God?"

Wednesday:

At a meal this week, brainstorm with your kid three practical ways that you can show the people around you what God is like -- whether it's by encouraging someone with a card or smile, helping make peace in a difficult situation, or something entirely different.

Thursday:

Celebrate Uniqueness! <https://theparentcue.org/celebrate-uniqueness-2/>

Friday:

Pray for each other, that you'll see yourselves as God sees you, and that you'll reflect God's love to the world around you this week.
