

MISSION POSSIBLE

PETS NEED HELP, TOO!

Homeless and low-income pet owners struggle with buying food for their pets. Did you know that 5 to 10 percent of homeless Americans have pets? That's between 27,500-55,000 pets. Many struggling Americans will make sure their pets have food before they themselves eat. Foothills UMC member Daniela Zoni has chosen "pets need help, too" for her Girl Scout Gold Award project.

Your mission, should you choose to accept:

- 1) Purchase pet food at your favorite store and drop it off at the Good Shepherd Ministry Center.
- 2) Organize a pet food drive in your neighborhood, workplace, or scout troop.
- 3) Spread the word about the need for pet food to your friends on social media.
