

“Mission Possible” is about serving others -- sharing the love of Christ in real and practical ways. When we help someone in need, it gives us an opportunity to talk to our family members about the experience. We can talk about how it feels to help some. We can talk about how that act of kindness relates to our faith.

Prayer, worship, and service to others are all spiritual disciplines. When we practice those disciplines regularly, we can grow even deeper in our faith! Give these ideas for prayer and worship a try. Let us know what happens!
